SNOW

Last week, I saw some snow through the window. I ran quickly into my big house and I thought, « That's great, the snow is back!!

I put my blue coat, my wooly hat and my shoes on and I went to see my dad. I asked him « Dad? Come and play with me ! » and he answered « No, I can't. Sorry Calvin... »

After that, my father thought, « What is Calvin doing? », « Maybe I should go? », « I need a break. ».

Finally, my father arrived with a carrot and a scarf to make a snowman and said « I am coming! » and I answered «Aaaah! ». We called our snowman Ben.

Two hours later, before going to bed, I said « Good night, dad!»

Snow

It was snowing ... Calvin was playing on his bed when he saw some snow through the window. He jumped off his bed, ran into the corridor and he thought, « My coat, my boots! It's snowing ! ». Calvin put his coat, his boots, his wooly hat on and he told his father, « Let's go out! ». Calvin's father answered, « I'm very busy! Sorry, Calvin! » so the young boy was disappointed and he went outside on his own. The man started to work again but he was falling asleep when he saw Calvin on his own through the window and thought, « It must be cool outside. ». Calvin's father stood up and went outside with his son. When Calvin saw his father, he was very happy and he yelled, « Dad! ». Then, Calvin and his father made a snowman. Three hours later, Calvin said, « Good night, dad! » and he went to bed.

What a beautiful snowy day !

Snow

Last month, it was snowing outside and Calvin was looking at the snow which was falling down onto the frozen ground. Then he thought, « Cool ! It's snowing for the first time this year ! »

So, the child put his coat and his wooly hat on and went into his dad's office. Calvin said to his father, « Dad ! It's snowing outside.» and the man answered, « Yes, I know Calvin !». So the little boy said, « Let's have a snowball fight in the garden ». His father replied, « No, I don't have any time.» Calvin was a little sad so he told him sadly, « Ok, then... »

But five minutes later, Calvin's father was falling asleep because his work was really boring ! He thought,

« Should I play with Calvin ? I'm so bored...» So he decided to join Calvin in the garden. Once in the garden, he said to Calvin, « Let's make a snowman ! » and the young boy answered, « Yes, dad ! » Finally, after this great snowy day, Calvin kissed his father and said to him, « Good night dad, see you tomorrow ! »

Sweet dreams !

Snow

One day, I was playing with my toys□□ when suddenly it snowed ! I ran to put my coat, my boots, my hat and my mittens on. Later, I told my father, « let's make a snowman ! » and he answered « I can't. Look at all the work I have to do. Sorry, Calvin ! Next time. »

I was disappointed. I went outside to play alone, then he decided to join me. We made a snowman and we had a snowball fight.

Finally, we had a beautiful day !

SNOW

After lunch, I was playing in the corridor when, all of a sudden, I saw snowflakes through the window : « Nice ! There is snow ! I will make a snowman ! »

So, I put my shoes, my wooly hat and my coat on and I went to dad's office to ask him a question : « Dad, can you make a snowman with me ? ». He answered « No, I have a lot of work, Calvin ! ». I insisted, « Please ! Come with me ! », so he screamed, « Stop now ! I need to be alone ! ». I wanted to cry but I said to him « oh, I hate you ! ». He was sorry and whispered «I am sorry, I really can't ! ». I left and I made a snowman on my own.

While I was playing in the snow, my father kept on working. A little later, he pulled the curtain and saw the snow through the window. Then, he thought « It's true ! There is a lot of snow ! », he saw his papers and thought « I am fed up of working ! ». My father stood up and said, « Come on ! Let's go ! ». He joined me and asked « Can we make a snowman ? ». I answered « Of course ! ». We had a snowball fight and made a snowman.

What a good time !

Before going to bed, I thanked my dad and I said to him « Good night, dad ! ».

SNOW

Yesterday afternoon, I was playing quietly in my bedroom when I saw that it was snowing ! I quickly took my wooly hat, my shoes and my coat. Then I went downstairs and said to my dad, « Dad, come and play with me outside ! It is snowing! ».

He answered « No, I'm sorry Calvin, I'm working. »

Finally even if I was disappointed, I made snowballs on my own. One hour later, my dad came to play with me but I didn't know why. We made a very ugly and little snowman together. After that, I said « Good night» to my dad and I went to sleep.

Calvin ran into his house as it was snowing outside. Calvin thought, « Yeah, it is snowing !! » Calvin was very excited !

Then, Calvin went to see his father and said, «Dad, come and play in the snow , please !! »

His father told him, « No, I have a lot of work ! »

Calvin insited, « Come on, please ! »

His father repeated, « No, I'm sorry, but I have too much work. »

His father was really sorry so he said,
« I'm sorry Calvin... »

Calvin who was very disappointed said,
« Oh, no ! »

Five minutes later, his father thought,
« He seems to be having fun ! » and wondered, « Where are my boots ? ».

Then, he joined his son, « Let's make a pretty snowman ! »

His son was very happy and he exclaimed,
« YES !! »

In the evening, Calvin said « Good night !» to his father.

Snow !

Yesterday, I was going to my bedroom when I saw that it was snowing through the window. I immediately put my wooly hat, my coat and my shoes on. I went to see my dad and I said to him, "Come and play with me in the snow !" He said, "I'm working, I can't come with you". I was disappointed, and nevertheless I went to play with Hobbes in the snow. A little later, I saw my father running towards me and he shouted "Surprise !" I was so happy. We had a snowball fight and then we made a snowman with a red wooly hat and a carrot. It was great !

In the evening, I was very tired and I went to bed happily, but Hobbes couldn't sleep with me because he was all wet.

Snow

One morning, I was in my bedroom watching TV. Suddenly, I screamed « It's snowing ! ». I was excited so I put my coat, my shoes and my wooly hat on. I ran quickly to see my father and I asked him, « Daddy, do you want to play with me outside ? » and he answered, « Sorry, I can't ». He was very disappointed. Then, he said to me, « I must finish my work » and I answered, « What a pity...», He said again, « I can't » and I said, « It's all right ! Don't worry !».

A few minutes later, my father thought , « He is lucky, I am fed up with my work, I am going !!! ».

Finally, he asked me « Can I play with you ? » and I answered « Yeeees !! ». We played in the snow and we made a snowman.

At night, I kissed my parents then I went to sleep.
